

## VANOWEN OVERVIEW

**Vanowen:** A 49-unit Permanent Supportive and Affordable housing development for unhoused individuals and transition-aged youth in the area. All units will be filled by the Coordinated Entry System (CES) and Department of Health and Human Services (DHS). The project is to be constructed as a new 3 story of Type V-A construction. The project is comprised of 49 units that include – 6 Studio, 42 One Bedroom and 1 Manager unit.

The project amenities will include a laundry room, learning center, community room, bicycle parking, supportive services space, shared kitchen and landscaped open space at the ground level. Supportive services will be provided by The People Concern.

For the supportive housing units: If you feel you may qualify for any of the supportive housing units, please visit <https://www.lahsa.org/get-help> for information regarding the Coordinated Entry System and information on the access centers.
